

Please be advised that brickwork to the entire building is scheduled to begin Thursday, June 20th with work starting at the North end as indicated in the photo. The crew will move counter clockwise around the entire building until the work is completed. The work is expected to take 3-4 weeks with crews working 7:30 am to 5:00 pm Monday-Friday.

How to prepare for the brick repairs project and what to expect:

16526 W 78th Street, Suite 272

Eden Prairie, MN 55346 Main: [612-254-7373](tel:612-254-7373)

Email Info@Atlasmn.com

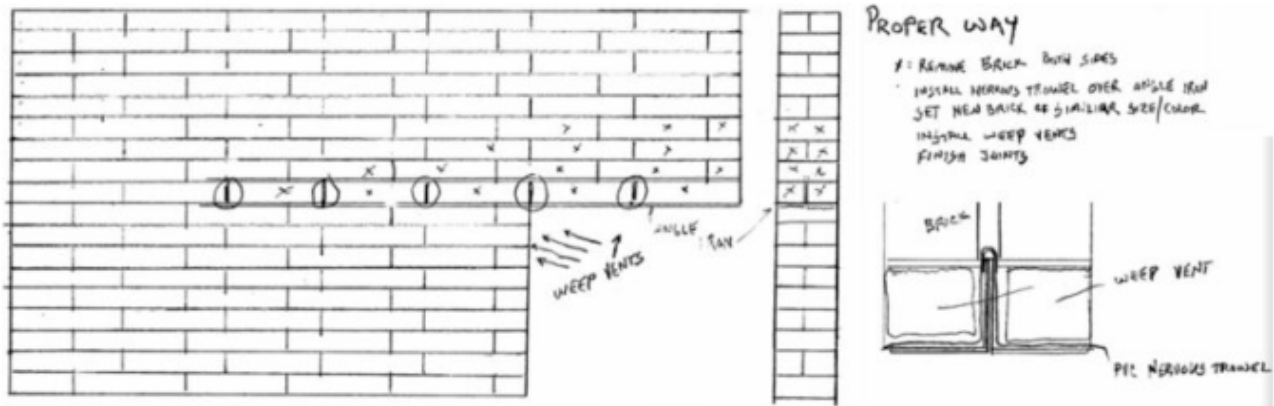

1. KEEP CHILDREN AND PETS AWAY FROM WORK AREA. DANGER KEEP OUT!
2. Be prepared for the **noise** and the **dust** created by the **masonry saws** and **jack-hammers**.
3. **Please keep all of your windows closed when work is going on near your home.**
4. Remove all loose items from your wall shelves and walls. The tools used during this job will create vibrations that may cause the items to shift and fall.
5. The use of power tools may be needed to complete the approved work. Access to an outlet may be needed. **Please notify us if you have any concerns with this.**
6. Daily cleanup of the job site will be completed. Every effort is made to keep the community safe and clean during the project but it is a construction zone.
7. Communication and responsiveness is a top priority. Please feel free to contact us with any questions or concerns you may have. Our mission is to provide high quality work with as little impact on your community as possible.

Thank you in advance for your patience and understanding.

Please see the below photos of the areas around the building that will be worked on.

Install PVC membrane to protect the steel lintel and install weep holes
