

Hallway light replacement Notice

Please be advised that the hallway light portion of the restoration project is scheduled to begin **Thursday, June 27th. With work beginning at 7:30 am.** The work is expected to take two days.

During the work, the power will be turned off to safely allow the electricians to replace the lights. The use of extension cords and temporary lighting will be utilized to help light the hallways while the work is taking place. PLEASE USE CAUTION WHILE THE POWER IS OFF AND LIGHT IS LIMITED.
