

Please be advised that select sections of concrete curbing are scheduled for replacement on Wednesday, July 17th **“Weather permitting”**. Homes with curb that will be replaced in front of their driveway will need to avoid driving on the new concrete for at least 3 days and should not park on the new concrete for 14 days. The curb that will be replaced is indicated on the map above and will be marked with marking paint on Monday, July 10th.

Additional details can be found on the project blog at the below address/link
