RE: Brentwood vinyl siding

To Whom It May Concern:

This letter is in reference to your recent inquiry regarding Mastic vinyl siding offering.

The product which you have raised concern- Mastic, Inc. brand Brentwood siding, has been discontinued, and is no longer a manufactured item and no longer in our inventory. Please note that our Mill Creek vinyl siding offering is not a visual match for the discontinued Brentwood siding.

We apologize for any inconvenience this may have caused and hope you may find one of our other quality products to fit your siding needs.

Sincerely,
Jennifer Thompson-Albano
