Good Morning Ryan,

I apologize for the inconvenience regarding the delay in our ability to ship you your siding for Southcross. This siding is manufactured in Jackson MI. When Covid 19 arrived, the state of Michigan shut our plant down for 6 weeks. Currently, due to state regulation, we can only operate on limited staff. Unfortunately, this has led to extended lead times. Again I apologize for any inconvenience that this has caused you and/or your customers, but this is a situation that is beyond our control.

Stay safe.
