How to prepare for a deck project and what to expect

1. PLEASE REMOVE ALL ITEMS FROM ON AND UNDERNEATH YOUR DECK.
2. KEEP CHILDREN AND PETS AWAY FROM THE WORK AREA. **DANGER KEEP OUT.**
3. Be prepared for the noise. Crews generally start early in the morning. There will be constant hammering during the construction process.
4. Access to your driveway will be needed to load and unload materials and for job site cleanup.
5. Large delivery trucks may be needed to load and unload materials and dumpsters.
6. The use of power tools may be needed to complete the approved work. Access to an outlet may be needed. **Please notify us if you have any concerns with this.**
7. Daily cleanup of the job site will be completed. Every effort to pick up nails and screws is made. **Magnetic rollers are used, but a few nails may be hidden in the grass.**
8. Communication and responsiveness is a top priority. Please feel free to contact us with any questions or concerns you may have. Our mission is to provide high quality work with as little impact on your community as possible.

Thank you in advance for your patience and understanding.
