

Please be advised that the asphalt removal and base preparation of your driveways is scheduled to begin on Tuesday, July 5th with work beginning at 7:00 am. The 110 homes on Oak Grove Circle is expected to take two days to complete. No asphalt will be installed at this time. Another notice will be provided prior to the paving.

All dates are “Weather permitting” and are subject to change with little notice. A new date and notice will be provided if the weather prevents the work.

Eden Prairie, MN 5534 Main: [612-254-7373](tel:612-254-7373)

Email: Info@Atlasmn.com

On these days please:

- **HAVE ALL VEHICLES OFF OF THE DRIVEWAY BY 7:00 AM.** You may leave your vehicle in your garage as each driveway will only take 20 minutes to remove and compact. You will be able to enter or exit your garage after this time.
- You may drive over or park on the compacted gravel in your driveway after the asphalt has been removed and compacted. Please use caution as there will be a 3-4" bump at the apron and street curb.
- **KEEP CHILDREN AND PETS AWAY FROM THE WORK AREA. DANGER KEEP OUT!**
- Be prepared for the noise. Crews start early in the morning. There will be constant noise during the construction process.
- Expect access in and around the community to be heavily impacted.
- Only park cars on the street that cannot fit inside your garage or if you will need them on short notice and can't wait for the crew to finish the removal and preparation process.
