

Shingle Replacement Notice

Please be advised that roof replacement at your home is scheduled to begin on _____ at 7:00 am and will continue until the job is completed. Work hours are 7:00 am to 8:00 pm. **All dates are weather permitting.**

If your home is being worked on, please have your vehicle out of the garage by 6:30 am to allow crews to begin staging the job site. Dumpsters will be placed in the driveways for the duration of the work. Roofs are expected to take 2-3 and 3-4 days to complete, depending on the building size.

Please see the following page for what to expect during the project.

How to prepare for a roofing project and what to expect

1. KEEP CHILDREN AND PETS AWAY FROM WORK AREA. DANGER KEEP OUT!
2. **Satellite television service will be disrupted during the re-roofing process.**
3. Be prepared for the noise. The Crew generally starts early in the morning. There will be constant hammering during the construction process.
4. Remove all loose items from wall shelves and walls. Hammering creates vibrations that may cause items to shift, move and fall.
5. **Remove all items from around the exterior of your home where work will be completed.** All reasonable efforts are made to protect personal items and landscaping, but construction debris will fall and cause damage to these items.
6. Please move all motor vehicles from your garage by **6:30 am** while work is taking place if you will need them during the day.
7. Access to your driveway will be needed to load and unload materials and for job site cleanup.
8. Large delivery trucks may be needed to load and unload materials and dumpsters.
9. The use of power tools may be needed to complete the approved work. Access to an outlet may be needed. **Please notify us if you have any concerns about this.**
10. Daily cleanup of the job site will be completed. Every effort to pick up nails is made. Magnetic rollers are used, but a few nails may be hidden in the grass.
11. Communication and responsiveness is a top priority. Please feel free to contact us with any questions or concerns you may have. Our mission is to provide high-quality work with as little impact on your community as possible.

Thank you in advance for your patience and understanding.
